

Fall Newsletter 2020

It is with considerable sadness that I write this final newsletter, and inform you of the dissolution of Members for Church Accountability (MCA), which was established in 1992. MCA is being terminated, not because of lack of funds, but because of the advanced age of the leadership (86-90 years) and no young prospects on the horizon. We are very grateful to all of the individuals that supported and encouraged us.

As you know MCA published a book in 2008 authored by Douglas Hackleman and titled, *Who Watches Who Cares?*

Although 3000 copies were sold or distributed, 2000 copies remain in the original boxes in storage. Rather than trashing or burning them we would like to give them away.

We are offering boxes of these books to our members at no cost and with free shipping to anywhere in the United States. Members can request any number of boxes (minimum one box with 28 books), but no individual books. We need your help with this endeavor.

Thank you.
